I have read and agree to follow all below listed guidelines, I understand that failure to adhere may result in punitive action: _____

Fold here and place upper portion on vehicle dashboard facing outward

- The Hunt Area number must match the Hunt Area the hunter and all members of the hunting party use to sign in and out. The TeleTrac system must be used to sign in and out of all hunting areas. If the hunter and his/her party wish to transfer to a new hunt area, the new hunt area and time of the transfer, must be provided on the "hunting area checked into" line, upon approval to transfer to the new hunting area.
- Hunters are authorized to use only approved weapons for the hunting area they are checked into. The hunter is responsible for being familiar with the approved weapon type for each hunting area used. The hunter is responsible for being trained/qualified to use the approved weapon type in each training area. Current weapon restrictions information is available by calling (831) 386-3310 or online at: <http://www.liggett.army.mil/sites/fishhunt/update.asp> or at MWR Outdoor Recreation B191.
- All harvest data must be reported.
